

# ABDULRAHMAN ABBADY

JR GRAPHIC DESIGNER & ILLUSTRATOR

WWW.SHORTURL.AT/JKCQ3

## ABOUT ME

Abdulrahman Abbady born in 2000 in the Aswan Governorate in Egypt. I currently live in Cairo, I work as a junior graphic designer and digital illustrator.

As a Junior Graphic Designer, I have skills and knowledge in graphic design and visual arts. I can create creative designs for print, social media, and many other projects that require graphic design.

Besides that, I am also a digital artist, which means I use digital tools and software to create artistic and creative illustrations. I use computers, graphics tablets, and design software to create digital artwork in my own style.

Familiarity with software technologies used in graphic design and digital illustration, and may have knowledge of tools such as Adobe Photoshop, Adobe Illustrator, and other specialized programs.

## EXPERIENCES

### ILLUSTRATION

2022- 2023

### GRAPHIC DESIGNER ILLUSTRATION

### ARABPIC

I was employed as a 2D artist at Arabpic for a duration, where I focused on creating visuals for the Saudi market. This opportunity allowed me to gain valuable experience in the Saudi market and develop a deep understanding of its culture. Additionally, I have also contributed to graphic designs used in animations and advertising projects.

### FREELANCER

I had a job as a graphic artist and designer specializing in branding and social media. Most of my work was focused on the Egyptian market, which allowed me to gain valuable experience in social media Designs and branding. As a result, I became proficient in these areas.
